

CS Trust Bulletin May 2025

Expanded Network and New Identification Cards for Geisinger Members

Effective June 1, 2025, Geisinger Health Plan (GHP) is offering a new expanded network provided through Cigna Healthcare^{SM*}.

This expanded network will be offered to Geisinger members who live in the GHP network coverage area and need emergency or urgent care while traveling or vacationing out of the area.

New identification cards that include the Cigna HealthcareSM logo will be issued for all Geisinger members. The cards are expected to be released by May 17th.

RxSS Update for Geisinger Members

Geisinger Health Plan has canceled its contract with RxSS effective December 31, 2024. As a result of this cancellation, Geisinger members no longer have access to Rx Savings Solutions (RxSS) services.

If members have any questions about their coverage, they should contact the customer service number on their ID card.

Blue Cross Blue Shield Class Action Settlement

Beginning January 2025, claim determination notices were emailed for claims filed online only. It appears that claim payments will begin to be made by mid-2025.

As a follow-up to Solicitor Balducci's expectations that individuals who filed a claim will only receive a small payment that "may not even cover the cost of a hotdog," Solicitor Balducci will provide a \$5 gift card to the Squeeze-In to the first person who contacts Diane Morgan at dmorgan@csiu.org and confirms receipt and amount of their claim payment.

Reminder - Live Healthy School Grants, Deadline May 16, 2025

As a reminder, the Live Health School Grant's deadline is May 16, 2025. Recipients will be chosen in June 2025, and grants will be awarded in September 2025. Only one grant will be awarded per school district.

Please apply for a Live Healthy School Grant by visiting <http://capbluecross.com/investmentrequests>.
