Capital Blue Cross FINAL Wellness Session Scheduled Wednesday, March 27, 2024

The final CBC wellness session is scheduled for Wednesday, March 27th at 1:00 p.m. As a reminder, all participating school employers must complete one virtual or onsite wellness planning session annually with Capital Blue Cross. By joining this session, the employer will satisfy the 2023/2024 requirement.

If this requirement is still outstanding in your district, please share the below information with your wellness contact and request that at least one person register and attend.

Omada – Health Management Smartphone App

Omada is a health management smartphone app that is available to CBC participants. Normally this app costs over \$700 a year but is currently included in CBC's health plans at no cost to participants.

Omada may be just what a participant needs if they:

- Want to lose weight and gain energy;
- Take control of their health goals;
- Get online community support and accountability; and/or
- Have ever been told they have diabetes or prediabetes.

Employers are encouraged to share the below Omada eligibility quiz link with CBC participants.
