

CS Trust Bulletin January 2026

Rx Savings Solutions Prescription Drug Savings Opportunities and new GLP-1 Guide

To date, members have saved more than \$320,000 through Rx Savings Solutions (RxSS). This free and confidential service helps Capital Blue Cross (CBC) members lower their prescription drug costs. The total next fill savings opportunity for all those not yet registered is more than \$145,000. CBC members who aren't currently enrolled in RxSS are encouraged to activate an account now. For more information, please refer to the flyer at the link below.

Additionally, RxSS is launching a new GLP-1 Guide on its website to support diabetic members who use GLP-1 medications and are enrolled in a CBC medical plan. The guide provides clear and transparent information on costs, helping members navigate their treatment options with confidence.

CBC Digital ID cards

The Capital Blue Cross app enables members to access their health plan information conveniently on the go. Members can download the app to keep their digital ID card at their fingertips and view details such as their deductible and HSA balances, if applicable.

Wellness Opportunities

Engage in wellness all year long! To view all upcoming opportunities, check out the [Geisinger events page](#) and Geisinger's [Quarterly Wellness Calendar](#).

Silver Circle Program

Geisinger offers a free program for people 55 and older to promote physical, emotional, and social well-being. Members can gain access to special events, a complimentary quarterly magazine featuring recipes and health tips, and more.
